PROJECT TOTAL DURATION: 24 MONTHS

OUTPUTS

- PR1: Research immediate needs of the target group vis-a-vis required skills
- PR2: Formulate micro-courses addressing PR1 needs
- PR3: Create Online Platform to host PR2
- PR4: Implement programme

OBJECTIVES

- Cultural awareness and expression (civic engagement, social inclusion);
- Digital and technology-based competencies (Improvement of Digital Skills);
- Interpersonal skills, and the ability to adopt new competencies; (empowering self-learning and life-long learning. Within each of these, we will build in many micro-courses e.g. understanding cultural and other differences (for migrants/refugees/people dealing with those); IT skills (email/web/search, word processing, spreadsheets, elements of design e.g. to make CVs look better), public speaking/presentation skills, etc. Once these adult learners have these competencies, they will be more confident in their own abilities to find jobs or create businesses.
